

These are the Archdiocese directives we are following at St. Nicholas to deal with Covid-19 (Coronavirus) until further notice, based on the instructions of the US Center for Disease Control (CDC):

If you are sick, please do not attend the Services.

The Eucharist (Holy Communion) will be given as per usual.

Please do not kiss the Icons. Honor the Icons by bowing only.

Avoid kissing, hugging, or shaking hands. Greet clergy and fellow parishioners through bowing.

Please bring your own Liturgical books and Bibles from home.

If you stay home, participate in Services by watching via the Internet at:
